

ROUND 1

Now that we have spent the morning in co-learning, what is possible for our collective bridge-building effort together in the next 12 months?

COMMUNITY, CONNECTIONS

Round 1: Now that we have spent the morning in co-learning, what is possible for our collective bridge-building effort together in the next 12 months?

Co-creation vs. Invitation
to pre-existing activity

- ~~How can we create~~ The invitation is to co-create something new together
- Courses, programming, etc.

^{POSITIVE}
Connections

Building and/or re-establishing relations w/ the school & Community

ART

Healing, Social Connection
& Embodied Praxis
(We feel it, sparks action)

Interdependent through communication we understand each other's need.

How do we create spaces where that can happen?

*Youth Involvement
Better ways to get youth involved, engaged and action oriented.

BRIDGE MAKER

What we create as a result?

- Resource guide
- ~~AD~~ COMMUNITY MAPPING

~~TEAM~~ Every single assignment is connected to programs & people in the EH community

1. Preventative measures - neighborhood/Community work to prevent them from RE-Arrest.

tips for Alternative to incarceration program

East Harlem

Advocate for change involving barriers

Reforms, Advocacy, Education
~~Advocacy~~

GUIDES ACROSS the Bridge

BUILDING TOGETHER ✓

challenges?

CONTINUITY CAPACITY

Creating structures that encourage creative collaboration rather than burnout?

- For students, faculty, community members, etc.
- How do we create seasons for work? There is a need for pause / reflection amongst all the events & programming.
- Allow for strategic planning

Partnership with different organizations for example colleges to acquire education.

- Vocational / trade schools
- Job Corps

More community driven initiatives

BUILDING CONNECTIONS BETWEEN HUNTER CAMPUSES AND CBOs. IN EAST HARLEM NEIGHBORHOOD

BUILDING TRUST WITH ROLEMODELS FROM THE COMMUNITY

Disconnected

The re-occurring theme we are hearing is "We are so happy this is happening." So we must acknowledge the disconnect that we feel so we don't back-track.

+ the feelings that come with this.

Collaboration
"If I don't have it, I know someone who does"

Bringing together different community members and educators to plan and execute ideas to benefit the community as a whole.

PROGRAMMING, SERVICES

Round 1: Now that we have spent the morning in co-learning, what is possible for our collective bridge-building effort together in the next 12 months?

Improving Mental health

Assessable care available

target the people in need and under resourced community

Therapy and help

More community driven initiatives

Partnership with different organizations for example colleges to acquire education.

- Vocational / trade schools.
- Job corps

Bringing together different community members and educators to plan and execute ideas to benefit the community as a whole.

1. Preventative measures - neighborhood / community work to prevent them from Re-Arrest.

tips for Alternative to incarceration program

Advocate for change involving barriers (housing, jobs)

East Harlem

Reforms, Advocacy, education

Values-based philanthropy & Values-based public policy

Pipeline into the professions for members of the community to become credentialed, as teachers, social workers and health care providers who return to their communities. This would be supported by values-based philanthropy and values-based policy

What we create as a result?

- Resource guide
- ~~the~~ community mapping
- Every single assignment is connected to programs & people in the EH community

ART

Healing, social connection & Embodied Praxis (We feel it, sparks action)

DESTIGMATIZING MENTAL HEALTH SERVICES IN THE COMMUNITY

Creating structures that encourage creative collaboration rather than burnout?

- ↳ For students, faculty, community members, etc.
- ↳ How do we create seasons for work?
- There is a need for pause / reflection amongst all the events & programming.
- ↳ Allow for strategic planning

FEELINGS, EMOTIONS

Round 1: Now that we have spent the morning in co-learning, what is possible for our collective bridge-building effort together in the next 12 months?

BUILDING TRUST WITH
ROLEMODELS FROM
THE COMMUNITY

DESTIGMATIZING
MENTAL HEALTH
SERVICES IN THE
COMMUNITY

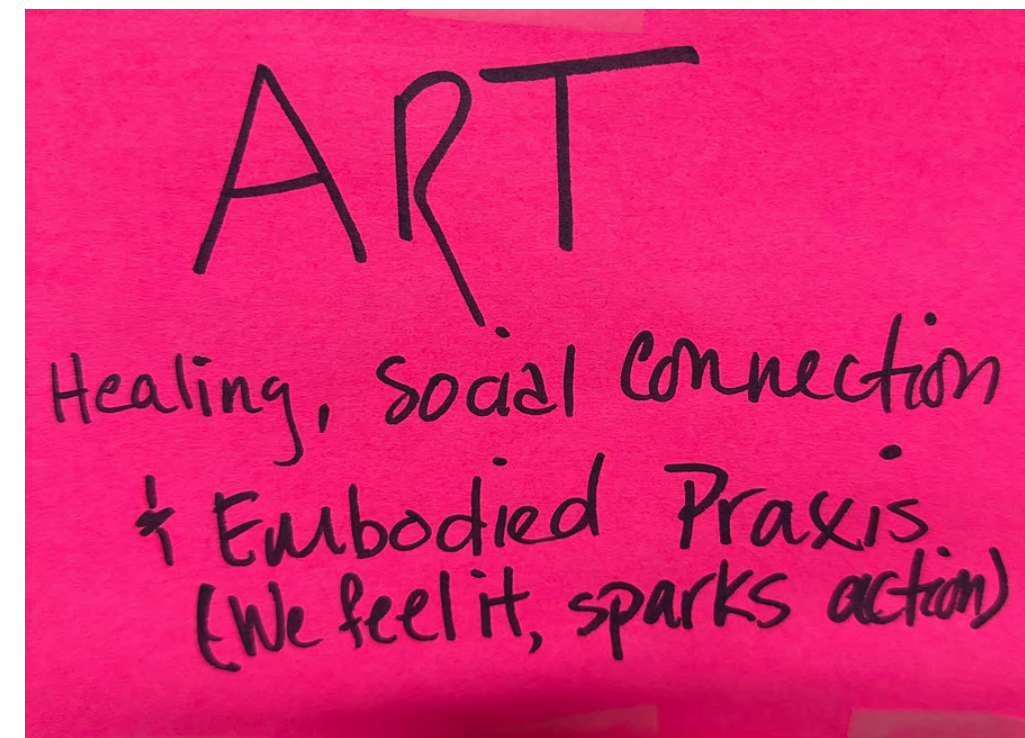

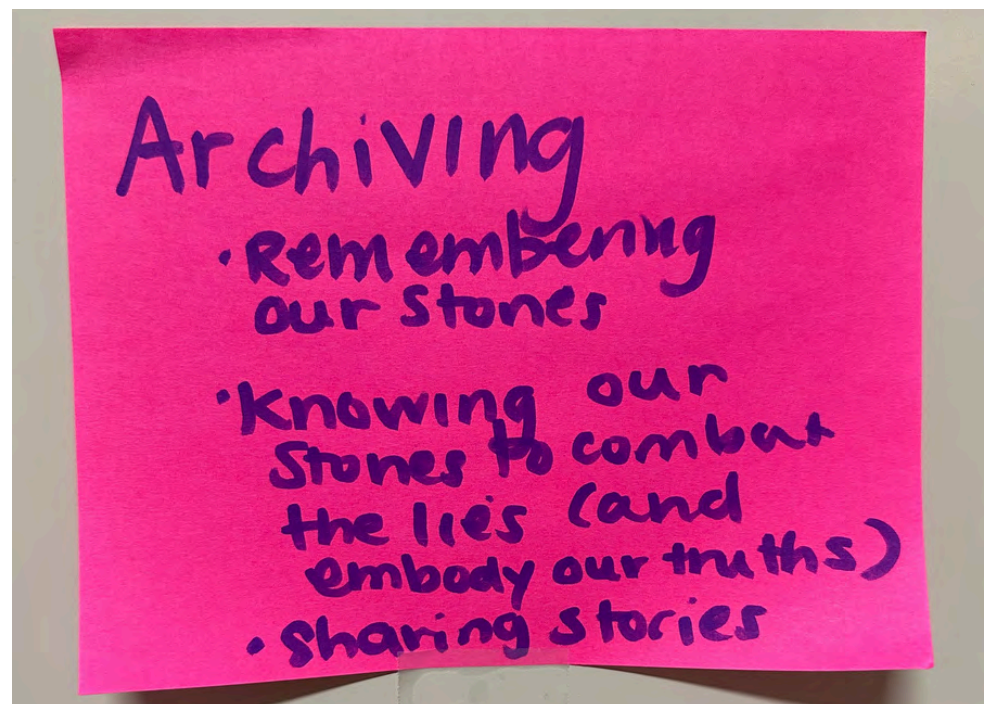

Integrity

Being intentional + mean what
you say.

increase the level
and feeling of security
for our young
people to and from
school.

STORYTELLING

Round 1: Now that we have spent the morning in co-learning, what is possible for our collective bridge-building effort together in the next 12 months?

YOUTH, YOUNG PEOPLE

Round 1: Now that we have spent the morning in co-learning, what is possible for our collective bridge-building effort together in the next 12 months?

* Youth Involvement
Better ways to get youth involved, engaged and action oriented.

Partnership with different organizations
for example colleges to acquire education.
- Vocational / trade schools.
- Job corps

increase the level
and feeling of security
for our young
people to and from
school.

FINANCES, MONEY

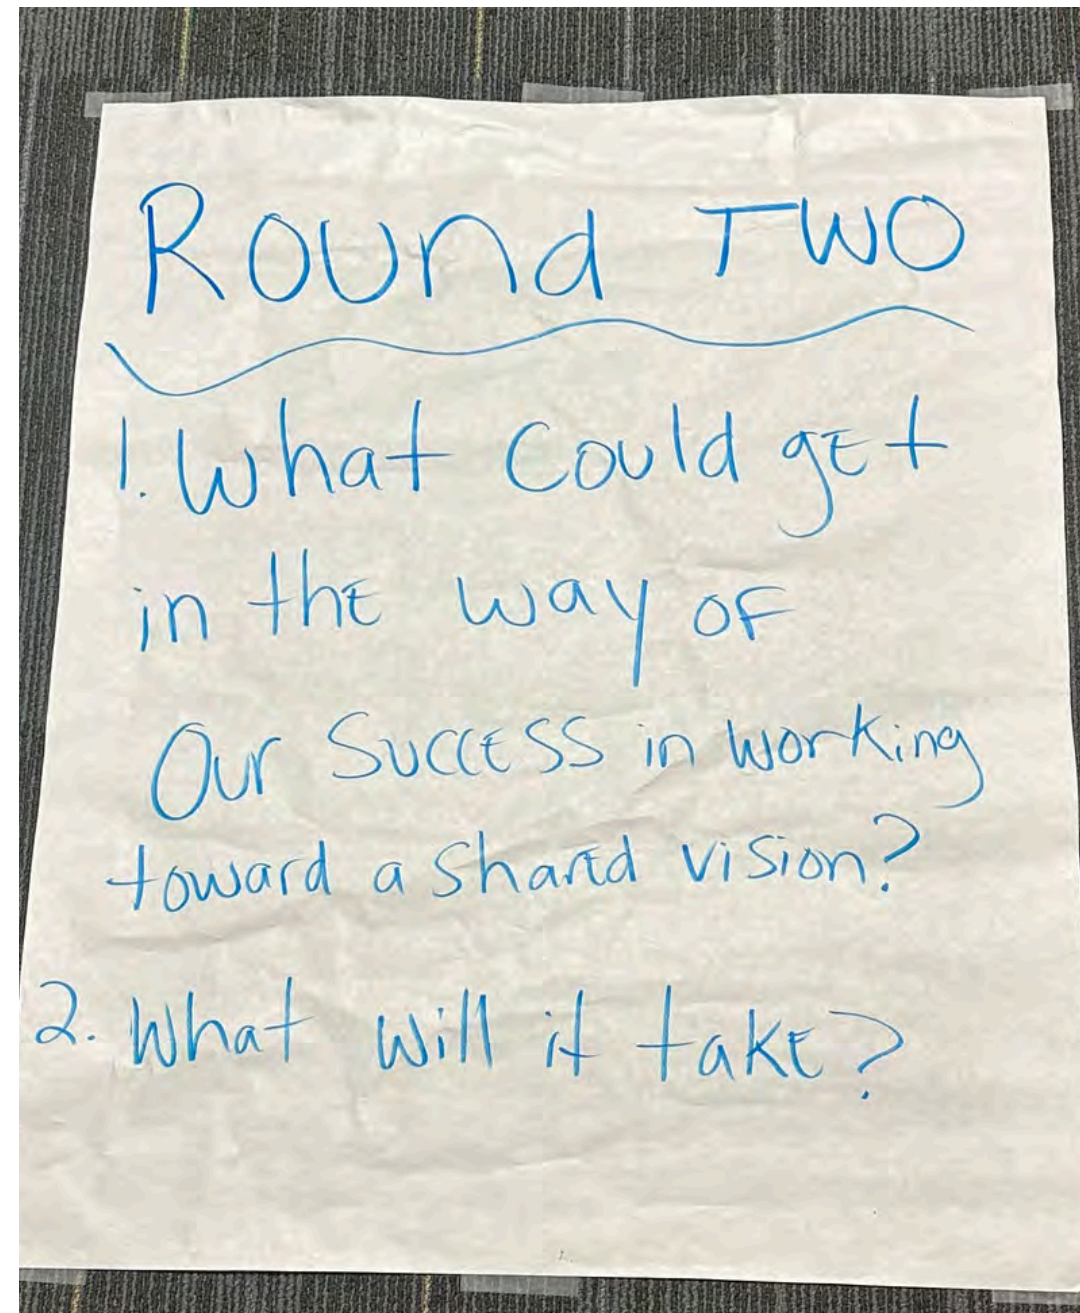

Round 1: Now that we have spent the morning in co-learning, what is possible for our collective bridge-building effort together in the next 12 months?

* Adversarial *
Natures
The competition between
non-profits for funding

Values-based
Philanthropy
&
Values-based
public policy

ROUND 2

What could get in the way of our success in working towards a shared vision? & What will it take?

COMMUNITY, SHARED VISION/VIEW

Round 2: What could get in the way of our success in working towards a shared vision? & What will it take?

Distance / Differences /
Divides gets in
the way
Proximity is required
- Community / University
Institution
must be/get/stay
Proximate

Communication
+
Transparency
o lack of but also doing
this in the collab

Lack of
Voices of Lived Experiences
Level of Trust is Low
(Rapport Building)

Obstacle -
Court community collab.
+ research towards
tenure + promotion.
"Aligning metrics for success
with community goals."

How do we ethically honor
Community participation?
Best practices?
Give something of value?

Collaboration
and sharing information
about services
programs.

① Stigma
Mental health, culture
+ poverty
② Solidarity

Disagreement
- Values
- Vision
- Priorities

Information
Racism
Sometimes it feels like info is
purposely not being shared to
community.

- Internal
barriers
: lack of sustainability
in org.
Consistency
workers : Mission drift :
value conflict

Love Letters
Between community
+ University
Atonement
Apology

PARTNERSHIP, community
work
"Moving From A 'logic of
business' to 'logic of social
work' MINDSET"

+
Relationship
- Show up
- offer support
- Start again
if it isn't working
- invite
- listen
- mutual
benefit
- Get help

Cultural
Views.
Changing the way
Ethnic groups view
Mental health.

Resources
for Co-teaching
& interdisciplinary
work & Community
Collaboration

Relationship
- Competition
- ego

②
NETWORKING

VALUES

Round 2: What could get in the way of our success in working towards a shared vision? & What will it take?

Disagreement

- Values
- Vision
- Priorities

Cultural Views.

Changing the way
Ethnic groups view
Mental health.

Communication

+

Transparency

o lack of but also ~~lack~~ doing
this in the collaboration

Distance / Differences /
Divides gets in
the way

Proximity is required

- Community ^{University & Institution}
must be/get/stay
proximate

Biases

- speak about them
before collaborating

Values + Trust

- moving at the speed of
trust

Love Letters
Between community
+ University
Atonement
Apology

RESOURCES, FUNDING

Round 2: What could get in the way of our success in working towards a shared vision? & What will it take?

Funding
resources

resources &
Funding

①
~~\$\$~~

① Control
② Making Funding More accessible

- External
barriers :
: lack of consistency : funding
orgs : structural factors
org. systems

unboxing
silos
stigma
hierarchy
money

① Competition
esp with donors
(being 'slave' to donors)
② Solidarity

Resources
for co-teaching
& interdisciplinary
work & Community
collaboration

SYSTEMS, POLICIES, STRUCTURES

Round 2: What could get in the way of our success in working towards a shared vision? & What will it take?

Stigma
Psychoeducation

Information
Racism
Sometimes it feels like info is
purposely not being shared to
community.

-EXTERNAL
BARRIERS :
: lack of
consistency : funding
orgs : structural factors
org. systems

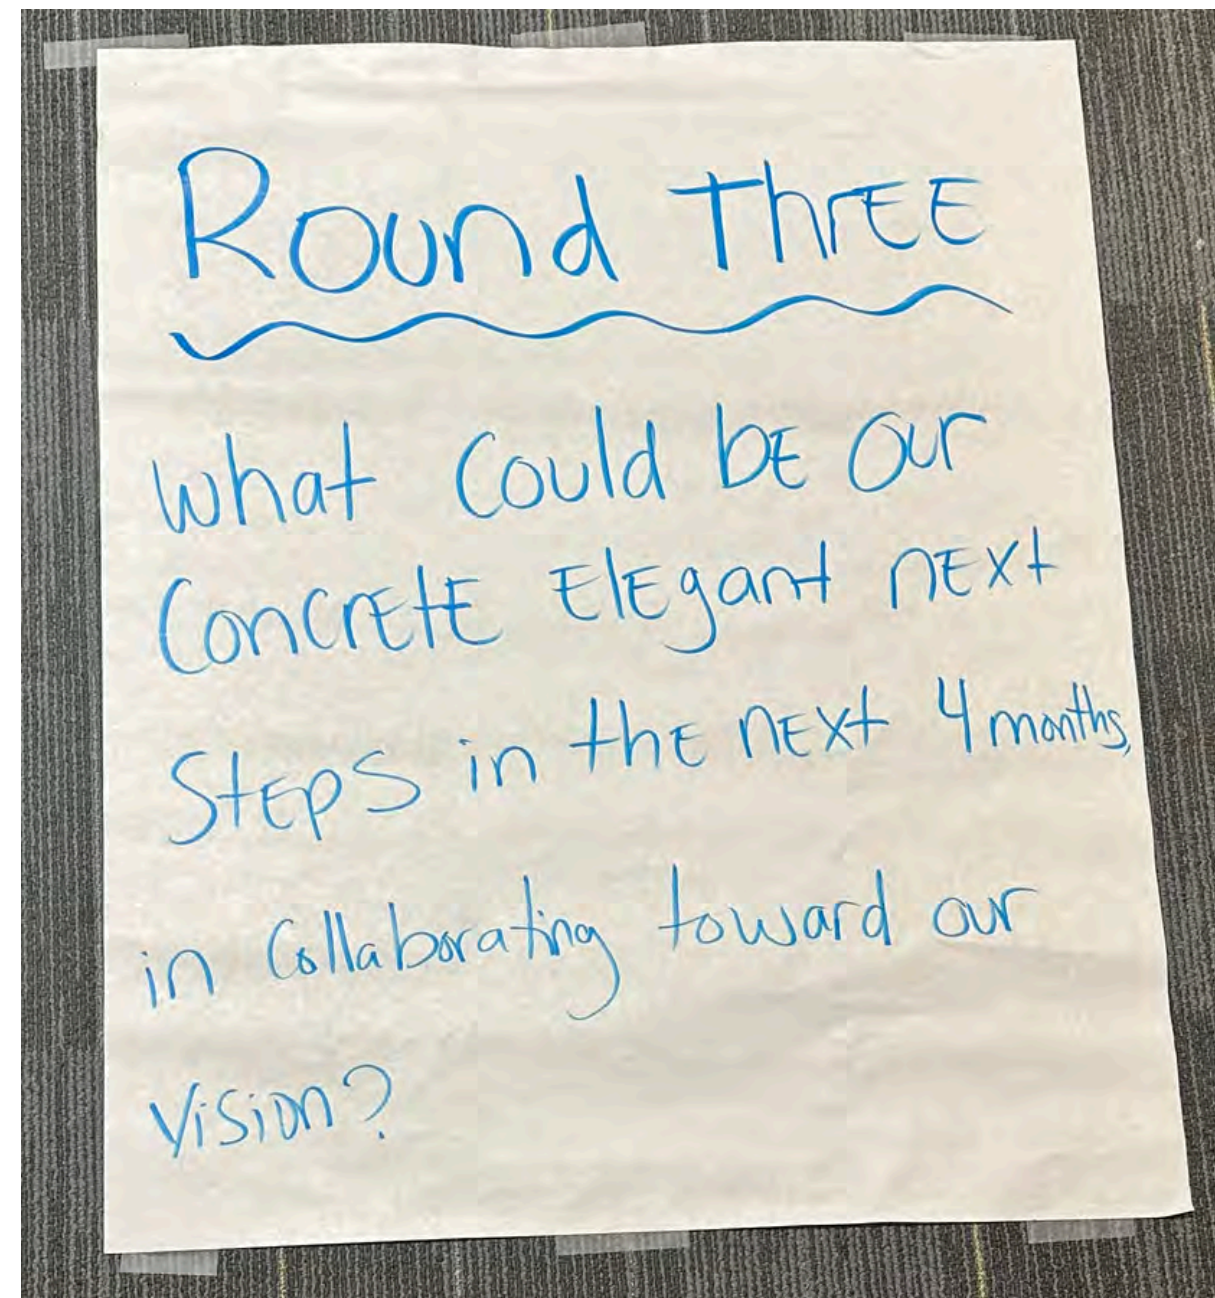

unboxing
silos
stigma
hierarchy
money

① Control
② Making Funding More
accessible

Policy Changes
Sudden change in policies
may also affect the
service delivery in our
community

ROUND 3

What could be our concrete, elegant next steps in the next 4 months in collaborating toward our vision?

SUPPORT, COMMUNICATION

Round 3: What could be our concrete, elegant next steps in the next 4 months in collaborating toward our vision?

Mobilize Students
+ integrate around issues
they care about

Bridge Program
w/ Middle Schools,
High Schools +
undergrad.

Keeping conversation
going!
(We exchanged info)

②
ASK
FOR HELP

Showing up
for each other!

Getting together
with like-minded
people. In groups like
this.

Open doors to
+ FOR the
community
(Library, Room 115, cafe, etc.)
Visit + Agencies as well

Keep the focus.
Don't drop the ball
Find opportunities to
continue the dialogue

③
LISTEN
+
LEARN

ment as part of the college
experience

Hybrid meetups

- 1) Less secured environment
- 2) Park
- 3) BBQ
- 4) Monthly —
- 5) Digital calls
- 6) Revolution

More outreach
Full community
involvement

Connecting

- ① signing up for EACH OTHERS
newsletter to share
AND DISSEMINATE
- ② BECOMING A connector

Bring in people
from more of a
range of experiences

①
SHOW
UP

SUPPORT

Round 3: What could be our concrete, elegant next steps in the next 4 months in collaborating toward our vision?

LEGAL Support
to proactively understand
risks and respond when
needed.

Prioritize Problems
ones which will
be done right
away + later

Survey ^{the community} that can lead
into a focus group
for prioritizing
including translators/translation
for everyone to have
access

EVENTS, LEARNING, CONNECTIONS

Round 3: What could be our concrete, elegant next steps in the next 4 months in collaborating toward our vision?

ment as part of the college experience

①
SHOW
UP

Getting together
with like-minded
people. In groups like
this.

Attending more
Webinars / Workshops
to gain more knowledge.

and connect with others
networking

Kickoff or
soft launch event
that features ~~an~~ community
walks or galleries and incorporate

Supporting each other's events
and common calendar

~~MAINTAIN~~ +
Moments to momentum to
Movement

③
LISTEN
+
LEARN

Showing up
For each other!

Combat Misinformation
through workshops
+
listening sessions

Keeping conversation
going!
(We exchanged info)

Connecting

- ① signing up for EACH OTHERS
Newsletter. to SHARE
AND DISSEMINATE
- ② BECOMING A connector

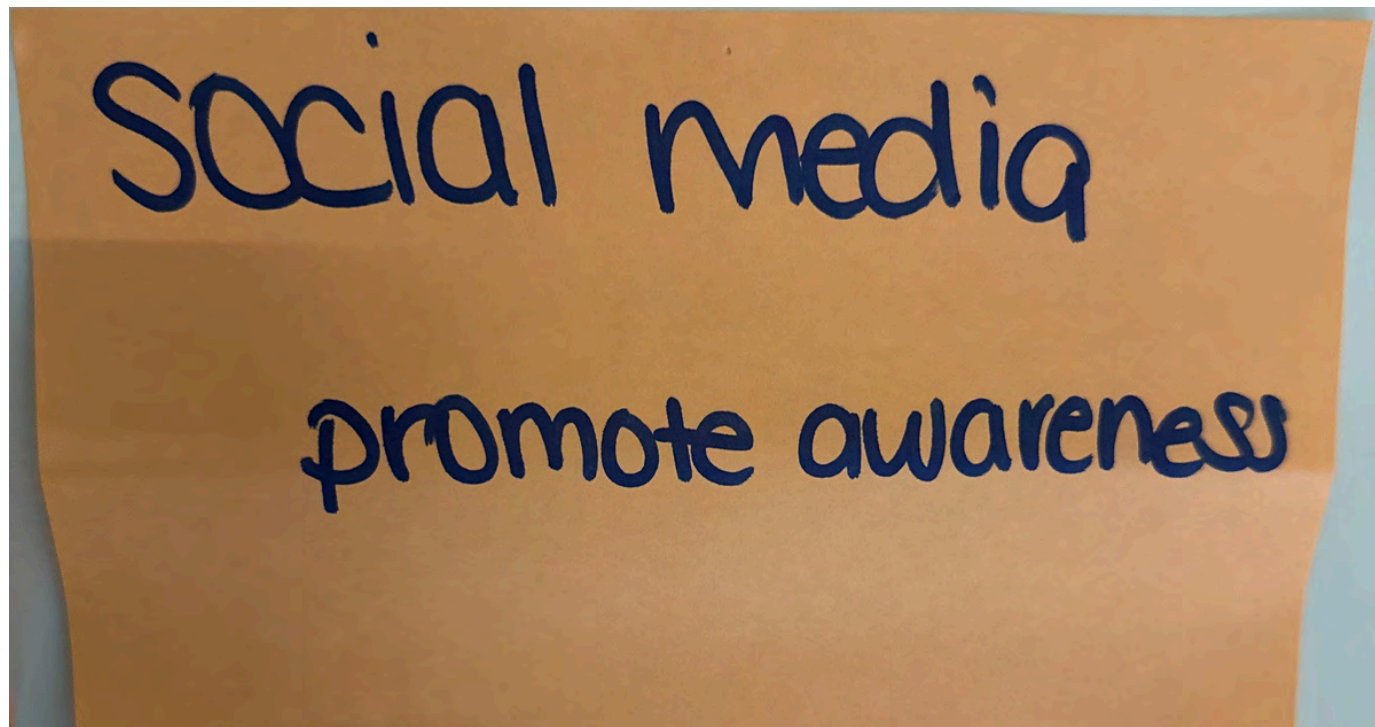

Hybrid meetups

- 1) Less secured environment
- 2) Park
- 3) BBQ
- 4) Monthly —
- 5) Digital calls
- ~~6) Revolution~~

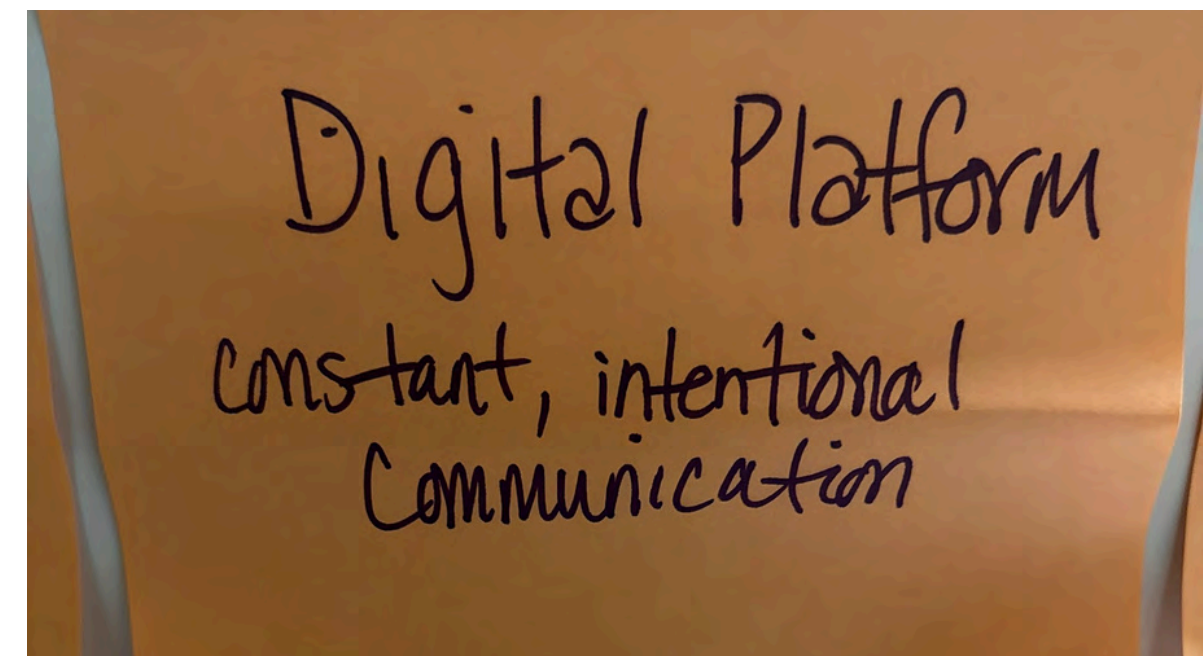

Learn Successful
models from agencies
doing the work we
want to do

SOCIAL MEDIA

Round 3: What could be our concrete, elegant next steps in the next 4 months in collaborating toward our vision?

Social media
promote awareness

Digital Platform
constant, intentional
Communication

RESOURCES

Round 3: What could be our concrete, elegant next steps in the next 4 months in collaborating toward our vision?

- developing a Harvesting
team to determine
next steps from
responses shared
today.

~~Resource~~ Resource Inventory
for us to determine
our capabilities &
commitments

provide seed #
to integrate community-
based projects into
courses.
dev. infrastructure to
connect orgs to faculty/
students

Reprioritizing
(letting go of nonurgent
things)
to get things
done.

- Trainings in Advocacy
- Fundraising
- Certifications in
our professions,
- Writing grants.
